

When Beep-Beep Came to Town

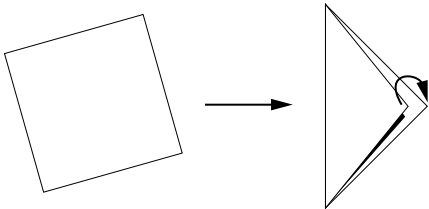

Activity BLM: Make a Space Creature

Materials

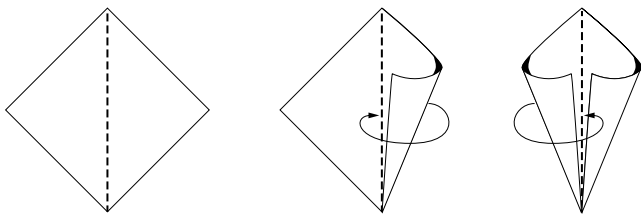

- 12" x 12" square construction paper, various colours
- scissors, stapler, glue
- scrap paper, various colours
- writing paper

Directions

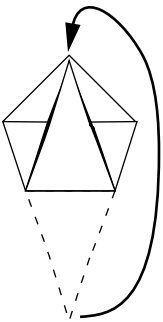

1. Fold the square paper corner to corner.

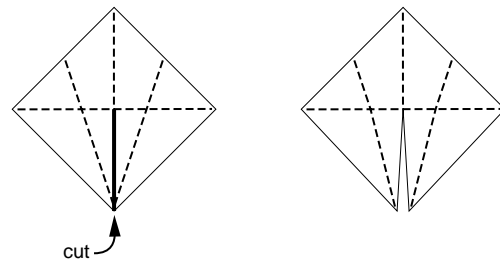

2. Unfold, then fold edges into middle.

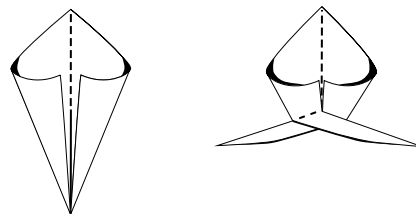

3. Fold narrow point to the top.

4. Open the paper. Cut up the centre line, stopping at the middle.

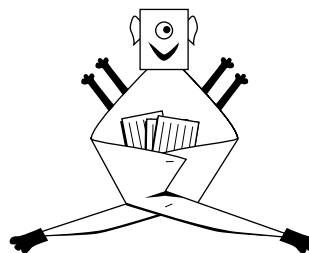

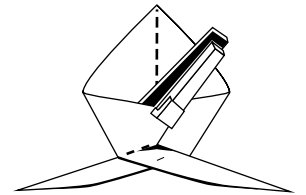

5. Refold the paper. Cross the "legs."

6. Staple "legs" together.

7. Staple "pocket" by pulling out.

8. Add scrap paper creature features – head, eyes, nose, ears, antennae, arms, etc.

Language Activity

On writing paper, students write about simple machines in the book, classroom, and at home. "Feed" each paper to the space creature by placing it in the pocket.
