

Fix It

Activity BLM: Can I Use ...? Turning Disc

Page 1

Grade 1

Materials

- *Fix It* BLM pages 2 and 3
- Bristol board
- scissors, glue, spread fastener, crayons

Directions

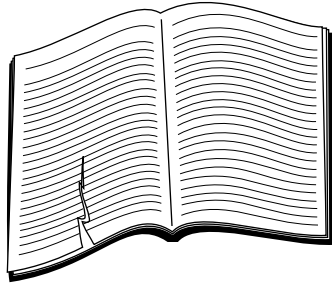

1. Cut out the circle patterns on BLM pages 2 and 3.
2. Glue each circle to the Bristol board.
3. Cut out the Bristol board circles and colour them.
4. Carefully cut out the shape for the window in the first circle.
5. Punch a hole in the centre of the two circles, and fasten them together with a spread fastener.

Language Activity

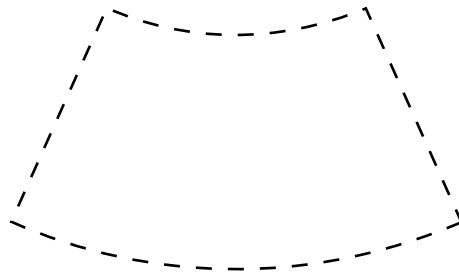

Students turn the window on the wheel to a picture of an object used to fix things. They read the pattern sentence: "Can I use _____ to fix it?" and then respond: "Yes, I can use _____ to fix it" or "No, I cannot use _____ to fix it."
