

Liquids and Solids

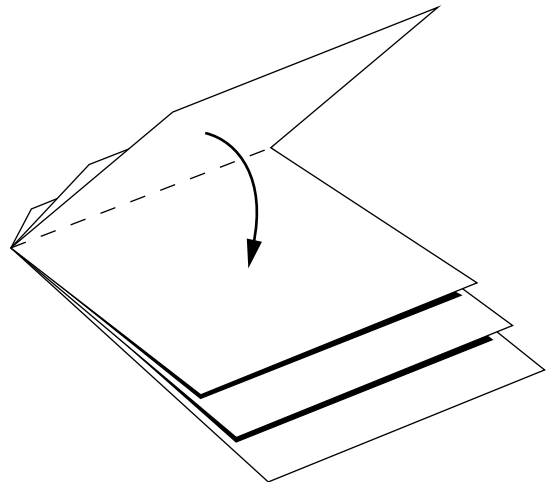

Activity BLM: Making a Step Book

Materials

- 8.5" x 14" white paper
- *Liquids and Solids* BLM page 2
- scissors, glue, crayons

Directions

1. Make a 6-page step book by taking 3 pages of 8.5" x 14" paper. Overlap the sheets of paper, leaving a 1.5" margin at the bottom of each page.

2. Hold the papers overlapped and fold as shown. The book now has 6 pages.
3. Staple at the fold.
4. Write a title on the top page.
5. Cut apart the sentences on BLM page 2 and glue one on each of the "steps" of the book. Fill in the blanks appropriately.
6. Illustrate each sentence on the rest of the page.

Liquids and Solids	
Solids can feel _____, _____, _____, or _____.	
Some liquids flow _____ and some liquids flow _____.	
Some solids, like sugar, _____ in water.	
Liquids turn into _____ when they freeze.
