

# Make It Move!

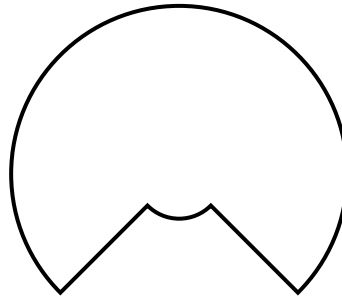

## Activity BLM: A Wheel Book

### Materials

- *Make It Move!* BLM page 2
- construction paper, various colours
- scissors, crayons
- spread fastener

### Directions

1. Photocopy BLM page 2 (ledger paper would make larger circles).
2. Cut out circle.
3. Write sentences. Draw pictures.
4. Cut a circle from construction paper the same size as the BLM circle. Cut out one section also.

5. Use a spread fastener to join the circles. Put a title on the construction paper cover circle.

### Language Activity

Students recall 4 simple machines – wheels, inclined planes, levers, and pulleys. They write about and illustrate each simple machine.
