

# Solving Problems

## Activity BLM: A Helping Hand Book

### Materials

- *Solving Problems* BLM page 2
- scissors, stapler

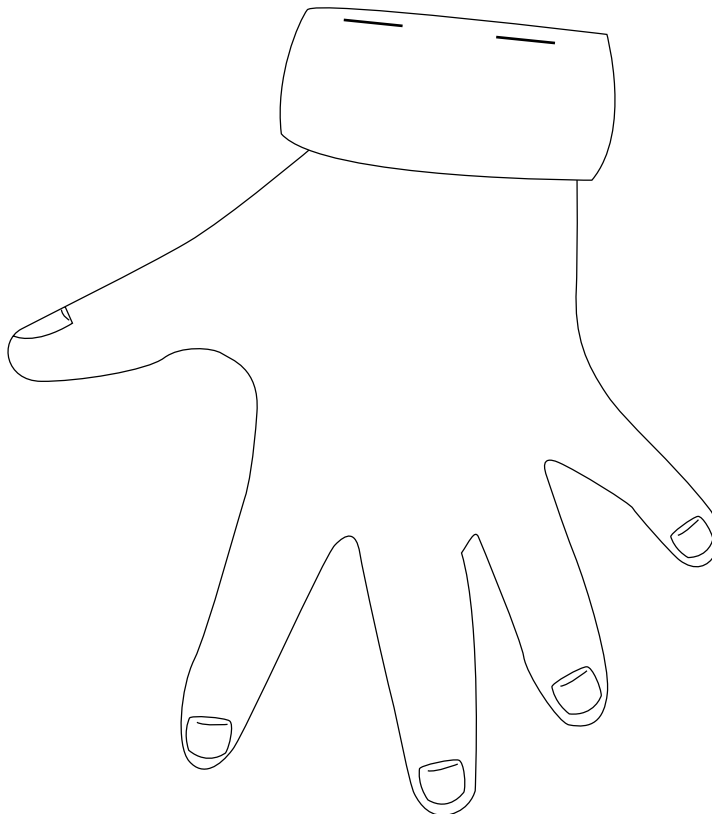

### Directions

1. Photocopy enough hands from BLM page 2 to make a book. Cut out hands.
2. Staple together at cuff.

### Language Activity

On each page of the "Hand Book," students write a sentence about someone who helps solve a problem. They could also tell what the problem was.

- e.g., My teacher helped me when I got hurt.  
My sister helped me when my little brother and I were arguing.
