Materials

- We All Help BLM page 1
- Scissors, crayons

Directions

1. Photocopy BLM page 2

Language Activity

Brainstorm together with students all the ways they are helpers at home and school. Ask students to draw their favourite ways to be a helper in the story strip.

Children can design and decorate the window. Children may need some assistance in cutting along the dotted lines to feed through their picture strips.

In groups, have children tell one another about their story strips.
