# Where Does Food Come From?

Page 1

## Activity BLM: A Circle Book

### Materials

- *Where Does Food Come From?* BLM pages 2 and 3
- scissors, spread fastener
- crayons

### Directions

1. Cut out BLM pages 2 and 3 and attach in middle with fastener.
2. Students turn circle and complete each sentence appropriately. Pictures on front cover will help students with their ideas. Foods on front can be coloured.

### Language Activity

Students record the names of foods and where each food comes from (e.g., a tree, under the ground, etc.).
