Between the Lines 11

A new thematically organized multi-genre anthology designed exclusively for students in the Grade 11 Ontario College English course.

- Engaging, highly visual theme units capture and hold the interest of unmotivated students.
- Each unit has been extensively reviewed to ensure selections are at the appropriate reading and interest level for students in the College course.
- Built-in reading strategies help students successfully read and comprehend the selection.
- Each unit offers an eclectic blend of selections to respond to diverse student interests.

The use of photographs, illustrations, and graphic organizers, combine to increase the accessibility and visual appeal for the student.
