

Nelson English 11 Teacher's Guides

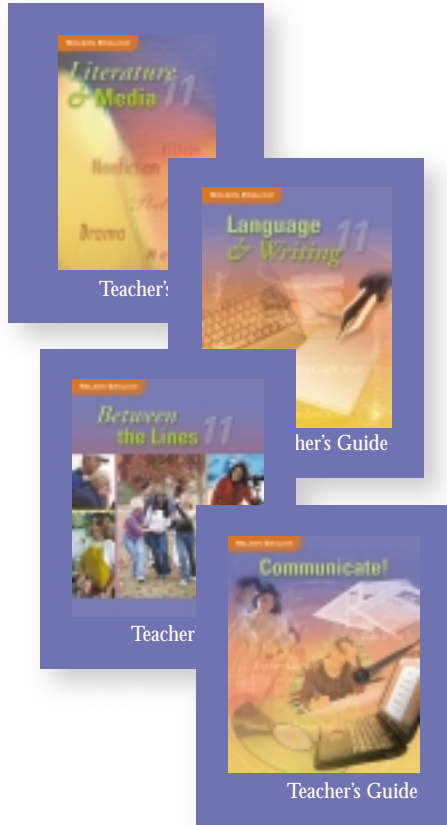

When you purchase a Nelson English 11 Teacher's Guide, you'll get it in three formats:

Print

Comprehensive

Complete lesson plans for each selection/chapter, including:

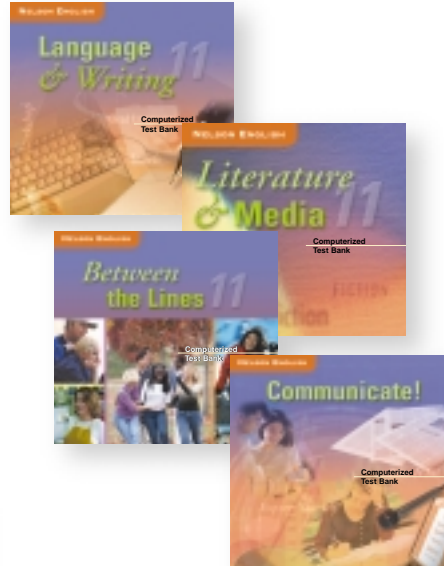

- background information
- pre-, during-, and post-reading activities
- ready-to-use blackline masters and assessment tools.

CD-ROM

The CD-ROM is included as a special **FREE** bonus with each **Teacher's Guide**

The Teacher's Guide CD-ROMs contain the full content of the print Teacher's Guide in electronic form, allowing you to customize lesson plans, blackline masters, and assessment tools

Web Site

Schools adopting Nelson English 11 resources can receive a password for each teacher.

The Nelson English 11 Web Teacher's Guides contain the full content of the print Teacher's Guides in electronic form plus additional support for the student internet activities.

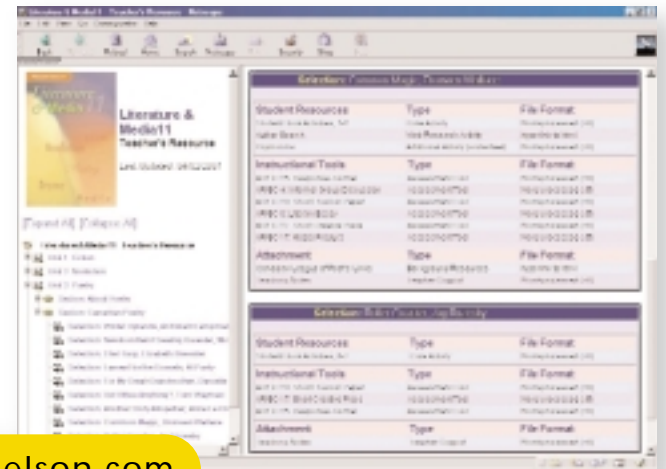

- When you receive your print Teacher's Guide, instructions about how to register will be included.
- Schools may register as many teachers as they wish.
- The Teachers' area of the Web site is secure and available to teachers only.

Accessible

All teachers using the Nelson English 11 resources can register for access to the teacher material on the Web site.

Current

Updates and additional material will be regularly posted on the Web site.

www.english.nelson.com
