

# Canada 1896–1920

## Change

What was Canada like in 1896? In 1920?

### Transition

Describe what has changed between 1896 and 1920.

### Retention

Describe what has not changed (or is slow to change).

### Agents of Change

What caused the change?

External

Internal

Combination

## Identity

How did Canadians see and describe themselves between 1896 and 1920? How were we seen and described internationally?

## Power

Who held the power? Did we as a country have control over our internal affairs? Our external affairs?
