

Modulo and Duval are brands of Nelson Education Ltd.

Overview of Nelson Education's OLE Funding Offerings

Nelson Education Ltd. is pleased to present information in support of the OLE program 2009-2010 implementation plans under development by each school board and to be submitted to the Ontario Ministry of Education by February 26, 2010.

The tables below provide FSL consultants with information to support implementation plans for **Priority Area 1: FSL Professional Learning Opportunities and Classroom Support**.

As appropriate, each table outlines the possible:

- Learning objectives
- Target audience
- And pricing

to assist in the completion of **Appendix 2** of the implementation plan.

There are three categories of information:

- Featured Product
- Workshop Offerings
- Summer Institute Options

Of special note are two great specials available in connection with the OLE program funding allotment for 2009/2010:
