

Student Self-Assessment Checklist: Research a Change

Answer the questions by making a check mark in either “Yes” or “Not Yet.”
Write any comments you have in the “Comments” column.

Criteria	Yes	Not Yet	Comments
1. Did I figure out the questions I wanted to answer?			
2. Did I follow a plan?			
3. Did I use a computer to research?			
4. Did I find out about how something has changed between long ago and now?			
5. Did I make good pictures to show the change between long ago and now?			
6. Did I use my own words to tell what I learned?
