

Stories of the Past (page 1 of 2)

Dear Parent/Guardian:

We are learning about the people who helped to start our community. If you have information about the history of your family in our community and are willing to share that with us, please help your child complete Part A. If you do not have any family information, or if you prefer not to share this information, then perhaps you have information about a community member from the past who helped to start our community. If so, you could record this information in Part B. Don't worry if you are unable to help with this request. Thank you for your time.
