UNIT 3: Entrepreneurship

CHAPTER 10: Characteristics and Skills of an Entrepreneur

E-ACTIVITY: Entrepreneurship

Activity: Entrepreneurship Self-assessment  
Complete the entrepreneurship self-assessment activities.

Do you have what it takes to be a successful entrepreneur? In this activity, you will have a chance to explore your entrepreneurial potential by investigating some of the traits, characteristics, and skills associated with successful entrepreneurs. Be honest in your responses so that you will gain an accurate understanding of your entrepreneurial potential.

1. Visit the [Business Development Bank of Canada website](#) and take the Entrepreneurial Self-assessment to help measure your entrepreneurial potential.
2. Visit the [Montreal Youth Employment Services website](#) and take the Entrepreneurship Business Start-Up quiz to see if you are ready for self-employment.
3. Write a paragraph summarizing the entrepreneurial skills and characteristics you possess. Indicate areas that you need to develop and identify how you might acquire these skills.
