

# Vacation Fun

Carla, Latisha, and Ava all went on vacation with Ava's family. During the vacation, they went to an amusement park and played games. They had a great time. The girls all earned different colored tickets from their games and wanted to trade them for special prizes. Use the chart below to answer the questions.

Name	Blue Tickets	Red Tickets	Green Tickets
Carla	21	17	13
Latisha	14	22	19
Ava	12	25	31

## SOLVE IT!

- How many blue tickets did the 3 girls earn in all?
- How many green tickets did the 3 girls earn in all?
- How many tickets did Ava earn in all?
- How many tickets did Carla earn in all?
