Open Court Reading
Grades K - 3
NEW!
Available in print & digital!

Leading the way to literacy success

For more than 50 years Open Court Reading has helped educators build strong readers, writers, and critical thinkers.

With an explicit, systematic approach to teaching, learning is exciting and empowering for all students. Students learn to:

- Build capacity for Foundational Skills
- Develop robust vocabulary
- Practice and refine skills to understand complex text
- Collaborate with peers during the inquiry and research process
- Write with the support of writing models as guides
- Strengthen grammar, usage, and mechanics skills

Grades 4/5
Coming in 2017!

Lessons are divided into three main parts: Foundational Skills, Reading and Responding, and Language Arts. All three parts are enhanced and supported by a range of differentiation resources for students at all levels of ability.

Instruction is organized into units, each of which revolves around a central theme. Unit Themes recur and evolve across grade levels, introducing more rigorous skills and deepening students’ subject-area knowledge.

The Open Court Reading assessment cycle continues lesson by lesson, with built-in tools for progress monitoring and differentiation. Lesson Assessments follow every lesson, and every unit concludes with a Unit Assessment. Benchmark Assessments are available for monitoring student progress periodically throughout the year.

Grade 1 - 3 Teacher’s Editions Package includes:
Volumes 1 - 6, Program Overview, 6 year Teacher Subscription

Grade 1 - 3 Foundational Skills Kits - For more information see page 6
SRA Open Court Reading Foundational Skills Kits for grades K–3 provide decode and encode written language skills that are the basis for reading fluency, writing fluency and reading comprehension.

- Complements any core reading and language arts curriculum by providing additional foundational skills practice
- Supplements any leveled reading program by linking reading with essential foundational skills instruction to create a combined reading and phonics module
- Works as a stand-alone foundational skills program

SRA Open Court Reading Foundational Skills Kits help students learn these sound/symbol correspondences by:

- Providing explicit instruction in blending all the sounds into words
- Building fluency, a key to comprehension, through the use of decodable books
- Connecting spelling to phonics through dictation
- Transitioning at the end of grade 2 from phonics instruction to word analysis through the end of grade 3
- Developing oral language and vocabulary daily through a variety of activities

Instruction Overview by Grade Level

- Kindergarten: Students develop phonemic awareness and learn about print concepts, sounds, letters and the alphabetic principle
- Grade 1: Students learn sound-spelling correspondences, practice blending and segmenting, and develop initial spelling strategies
- Grade 2: Students expand on fluency and continue to learn the mechanics of decoding and encoding
- Grade 3: Students analyze word structure to unlock meanings of words to read with both fluency and comprehension
### Foundational Skills Kit components:

**Kindergarten includes:** Alphabet Sound Wall Cards, Small Group Alphabet Sound Cards, Individual Alphabet Sound Cards (4), Hi-Frequency Flash Cards, Decodable Takehome BLM, Magnetic Letters, Pocket Chart, Individual Pocket Chart, Pocket Chart Picture Cards, Pocket Chart Word Cards, Lion Puppet, Alphabet Letter Cards (uppercase/lowercase), Magnetic Dry Erase Board, Alphabet Little Book, Pickled Peppers Little Book, Letter Cubes, EL Photo Cards

**Grade 1 includes:** Alphabet Sound/Spelling Wall Cards, Small Group Alphabet Sound/Spelling Cards, Individual Alphabet Sound/Spelling Cards (4), Hi-Frequency Flash Cards, Decodable Takehome BLM (2), Magnetic Letters, Individual Pocket Chart, Lion Puppet, Alphabet Letter Cards (uppercase/lowercase), Magnetic Dry Erase Board, Rhyme Stew Little Book, Letter Cubes, EL Photo Cards

The New K-6 Reading Program
Built for Today’s Classroom

Wonders gives you
• Flexibility that matches the way you want to teach—print, digital, or both
• Engaging ideas for instruction, with a manageable scope and sequence

Wonders gives your students
• Scaffolding they need to meet the rigors of complex text
• Proven strategies that aid comprehension
• Access to the world’s best literature and nonfiction
Wonders Reading/Writing Workshop

Concise and focused, the Wonders Reading/Writing Workshop is a powerful instructional tool that provides students with systematic support for the close reading of complex text. (Includes grammar handbook in every volume starting at Grade 2.)

- Introduce the week’s concept with video, photographs, interactive graphic organizers, and more
- Teach through mini-lessons that reinforce comprehension strategies and skills, genre, and vocabulary
- Model elements of close reading with shared, short-text reads of high interest and grade-level rigor

Available in print (7 1/2” x 9 1/2”, 48 - 504 pages) and/or fully-digitized editions
Wonders Literature Anthology

Bursting with stories and informational text selections by award-winning authors and illustrators, the Wonders Literature Anthology lets students apply strategies and skills from the Reading/Writing Workshop to extended, complex text.

- Integrate by reading across texts with the Anchor Text and its Paired Selection for each week
- Build on the theme, concept, vocabulary, and comprehension skills & strategies of the Reading/Writing Workshop
- Expand students’ exposure to genre with compelling stories, poems, plays, high-interest nonfiction, and expository selections from Time for Kids

Available in print (8½” x 10¾”, 104 - 600 pages) and fully-digitized editions

Reading/Writing Workshop Big Books

Grades K - 1

These Big Book editions include all of the content from the Reading/Writing Workshops for shared instruction.

- Model and conduct mini-lessons with the entire class
- Enhance vocabulary and listening comprehension, and lay the foundation for close reading

15” x 19”, 48 - 60 pages

Literature Big Books

Grades K - 1

Each big book supports acquisition of concepts during shared reading. Kindergarten titles include a featured selection and paired piece.

- Delight children with favourite authors and illustrators
- Provide exceptional science and social studies content
- Develop listening comprehension with complex text

13” x 15” to 18” x 15”, 32 - 44 pages

Teacher’s Edition Packages

Grades K - 6

All you need to bring Wonders to life in your classroom!

- Complete instructional support for whole-class and small-group
- Guidance for knowing what makes texts complex, along with on-the-spot ideas for scaffolding

Print (10½” x 12½”, 180 - 672 pages), spiral-bound, 10 volumes for Grade K and 6 volumes for Grades 1-6
Your Turn Practice Books

Provides students with their first guided practice with fresh reading selections every week. Students can underline, circle, and highlight text to support answers with text evidence.

Print \(8\frac{1}{4} \times 10\frac{7}{8}\)

304-324 pages each

Go Digital!

Wonders offers you the freedom and flexibility of 100% digital implementation. Everything in print formats can also be delivered digitally—the Reading/Writing Workshop, Literature Anthology, levelled readers, complete teaching support, and more.

For Teachers:
- Access 100% of program resources, including digital versions of each day’s lessons and materials
- Drag-and-drop with the five-day planner
- Select from hundreds of levelled readers
- Generate assessments and track student progress individually or as a class
- Communicate with parents, post student work on virtual class walls, and network with other Wonders users

For Students:
- Read the entire week’s selections online
- Keep track of assignments, store notes, and maintain a portfolio of work
- Get help with a visual glossary and other resources
- Communicate with teacher and classmates

If purchasing student subscription it is strongly recommended that teacher subscription also be used to utilize the full functionality of the program.
Inspire Science ©2017
Grades K - 5
Available in print & digital!

Inspire Science is a flexible and engaging hands-on science learning experience that brings problem-based learning to the forefront and enables students to be the scientists while developing literacy and math skills.

Each module focuses on the core concepts all within the familiar and proven 5E instructional model (engage, evaluate, elaborate, explore, and explain). While our digital resources provide the advantage of interactive learning, our print resources are focused on where print matters most in reading, journal writing, and problem-solving.

DIGITAL SOLUTION
Interactive whiteboard and mobile friendly

INTERACTIVES
Interactive and responsive digital reading experiences provide an engaging way to learn science content.

VIDEOS
Real-world science videos help your class stay engaged, even with complex science concepts.

GAMES
Immersive games that teach while they’re playing.

5E STUDENT LESSON NARRATIVE
Online instruction to guide each student through the 5E model and the use of the interactive resources.

RECORDING SHEETS
Digital and customizable recording sheets enable students to document observations and data for analyzing, interpreting, and communicating information.

ASSESSMENTS
Customizable diagnostic, formative, and summative assessment tools and rubrics help you prepare differentiation strategies and assess student understanding of key concepts and practices.

SIMULATIONS
Interactive models allow students to explore cause and effect in ways that scientists and engineers do in real life.

CAREER KIDS
Characters that will help students along their learning paths.
BE A SCIENTIST NOTEBOOK
Problem-solving activity book that lets students practice being real scientists and engineers by presenting creative solutions to real-world problems.

Science Paired Read ALOUDS
(Grades K–2)
Fiction and non-fiction readings for whole or small group concept introduction. The digital versions are great for whole class projection.
LEVELLED READERS
Informational text readings that include text dependent questions, paired readings, and hands-on activities. Two titles per module with four levels each. Interactive versions of the leveled readers provide students with fun features like audio (including word-by-word highlighting), note taking tools, and point-of-use vocabulary support.

OFFLINE TEACHER SUPPORT
A great resource for when you need to plan offline. Included for each module are module and lesson planning guides, lesson pacing guides, important background information, differentiation and EL strategies, vocabulary, and suggested offline activities.

**My Math** provides an intuitive lesson format with digital tools to customize content. You can plan, sequence, and deliver instruction that works best for your students. Students can also practice math in multiple ways throughout the learning cycle.

**Student Edition Plus Online eStudent Edition**

The online Student Centre engages students with intuitive digital resources they can access from various digital devices. A homework section lets students view assignments that teachers post through a message board. Online Student Centre includes: Chapter Videos, Animals, Math Adventures, Personal Tutors, and Visual Vocabulary Cards. Organized to emphasize Mathematical Practices, this interactive Student Edition makes learning fun and exciting.

**HIGHLIGHTS**
- Contains everything students need to learn and practice math
- Includes vocabulary support, homework pages, and lessons on problem solving
- Connects hands-on activities with real-world learning experiences
- Consumable; write-in text; 2 volumes per grade
- Includes access to online student centre

**eStudent Edition CD-ROM**

This product contains the entire *Student Edition* in digital format along with associated student resources.

**HIGHLIGHTS**
- Includes audio for emerging readers
- Contains digital assets such as animations, tutors, and concepts in motion
- Provides easy access and transportability
- Includes access to the Student Centre

Teacher Edition Plus Online eTeacher Edition

The Teacher Edition helps personalize teaching and supports differentiated instructional practices in the classroom.

- Contains practical tips to support effective use of classroom instructional time
- Includes point-of-use references to all the digital resources and makes planning and teaching easier

Spiral-bound, 2 volumes per grade, available individually or as a package.

My Math Teacher Centre provides a simple, easy-to-access online teacher site for all the digital resources. Teachers can organize resources to personalize lesson planning, instruction, and intervention. Access included with Online eTeacher Edition.

**HIGHLIGHTS**
- Includes an online version of the Teacher Edition
- Allows teachers to adapt sequence for optimum customization
- Provides ability to customize or create online lesson presentations
- Includes message board for teachers to post class announcements
- Contains a homework section to post class assignments

### Real-World Problem Solving Readers

These readers deliver multi-level mathematics and real-world problem solving content to meet the needs of all students in the classroom.

- Available in three versions: Approaching, On-Level, Beyond
- Help students connect mathematical strategies to real-world situations
- Strengthen students’ ability to analyze and apply mathematical skills
- There are 12 readers for Kindergarten and 15 readers for Grades 1-5

### ALEKS Grades 3 - 12

ALEKS is an online assessment and learning program for grades 3-12. Using adaptive questioning, ALEKS precisely identifies what a student knows and doesn’t know within a course through an initial assessment, the Initial Knowledge Check. Through personalized instruction on the exact topics each student is most ready to learn, ALEKS effectively targets knowledge gaps while enabling immediate success in mastering new material.

- Research-Based Program, Derived from Learning Space Theory
- Dynamic Data at the Student, Class, and School Levels
- Flexible Implementation — Core, Supplement, Intervention, and more

For further information, please contact your sales representative.
Building Blocks
Early Learning - Kindergarten

Available in print & digital!

Inspire Early Learners with a Proven Math Curriculum

Building Blocks builds on young students’ math experiences by integrating engaging, hands-on activities and interactive technology into instruction. Building Blocks ranges from designated math activities to circle and story time to help kids relate their informal math knowledge to more formal mathematical concepts.

HIGHLIGHTS

- Building Blocks Assessment is a research-proven guide that effectively assesses students’ math proficiencies
- Manipulatives promote hands-on learning and conceptual development
- Big Books provide excellent math-related literature that children want to experience again and again
- Online Activities engage students in building foundational skills

If purchasing student subscription it is strongly recommended that teacher subscription also be used to utilize the full functionality of the program.

Everyday Mathematics 4 continues to transform math education by applying a research-proven instructional approach that fosters lifelong mathematical proficiency.

Focused
Each standard is fully developed and mastered at the appropriate grade level.

Coherent
Carefully crafted skill progressions are woven within and across grade levels.

Rigorous
Instruction deeply connects conceptual understanding with real-world applications leading to lifelong fluency.

HIGHLIGHTS
- Problem solving for everyday situations
- Developing readiness through hands-on activities
- Establishing links between past experiences and explorations of new concepts
- Cooperative learning through partner and small-group activities
- Discovery Centre ideas
- Assessment options
Student materials are available in different packages to meet your needs.

**My Reference Book**

Grades 1 - 2

Hardcover

Contains explanations of key mathematical content, with directions to the games. Digital version is included in Student Learning Center

**Student Math Journals 1 & 2**

Grades 1 - 6

Consumable

Student pages support daily instruction with focused concept and skill development, alongside ongoing practice.
Math at Home, Books 1–3
Grade K
Family activity suggestions that help children develop strong math foundations. This is a three-book set, with each book supporting three sections of instruction.

My First Math Book
Grade K
Helps students organize and record their understanding of the math concepts.

Student Reference Book
Grades 3 - 6
Hardcover
Contains explanations of key mathematical content, along with directions to games. Digital version is included in Student Learning Center.

Student Learning Center
Grades K - 6
New for Everyday Mathematics 4, the Student Learning Center is designed for how children learn in our digital and interactive world. Full access is included with every Student Materials Set.

- Interactive Learning Every Step of the Way: Students interact with digital versions of nearly every lesson activity, including Math Journals and assessments.
- Support for Family: EM at Home makes it easy for families to help their child with access to lesson resources and more.
- A Toolbox of Support: Digital manipulatives, Geometer’s Sketchpad activities and tutorial animations are embedded at point-of-use to aid in completing assignments, activities and assessments. Student Learning Center includes: interactive lesson activities (including Math Journal, Math Masters, Home Links, and more), My/Student Reference Book, eToolkit, EM Games Online, EM Facts Workshop Game, EM at Home, customized assignments and more!

HOME LINKS®
Grades K - 6
Consumable Workbook
Help students stay organized with copies of Home Links and Parent Letters provided for each student.

Pattern-Block Template
Grades 1 - 3
Includes geometric shapes for tracing, with six shapes that match the sizes of the pattern blocks.

Geometry Template
Grades 4 - 6
Features 23 geometric shapes for drawing and measuring.
Classroom Resources Overview

Comprehensive Classroom Resource Package
Complete set of student and teacher resources delivered both online and in print.

All-Digital Classroom Resource Package
Complete access to digital resources empowers you to deliver the Everyday Mathematics curriculum in a fully interactive learning environment.

Teacher Resources included in both packages:
ConnectedED Teacher center - 5 year access, Teacher’s Lesson Guide Volumes 1 & 2 [Grades K-6], Activity Cards [Grades k-6], Assessment Handbook [Grades K-6], Math Masters [Grade K-6], Minute Math [Grades K-3], Resources for Kindergarten Classroom [Grade K], Classroom Posters [Grades K-6], Sing Everyday! Music CD [Grade K]

ConnectED Teacher Center

Grades K – 6

New for Everyday Mathematics 4, the ConnectED Teacher Center is designed for how you teach. Multi-year access is included with every Classroom Resource Package.

- Always Accessible: Plan and deliver instruction and assessments on a variety of devices from wherever you might be.
- Plan and Differentiate with Confidence: Review student performance and provide appropriate support with monitoring and evaluation tools.
- Real-time Feedback and Reporting: View, respond and evaluate student work in real-time for both auto-scored and authentic assessments. Reports are available at the student, class, school and district levels.
- Customize Your Lessons: Attach your own external resources and tagged notes to units, lessons, and activities.

ConnectED Teacher Center includes: All lessons in teacher-friendly format, Student Learning Center, planner, eToolkit, ePresentations with integrated eTools and Geometer’s Sketchpad activities, Spiral Tracker, evaluation tools, assessment and reporting, customizable assessments, Sing Everyday! Mp3’s (K only), printable resources, additional differentiation and ELL support for every lesson, eBooks of all printed materials (teacher and student), Home Connection Handbook eBook (online only), Implementation Guide eBook (online only), and more.

Prism Math, Canadian Edition
of Spectrum Math!

Prism Math is a supplemental program designed to help struggling students gain a solid understanding of and confidence in numeracy fundamentals.

These age neutral, skills based, numeracy workbooks are thoughtfully designed and contain easy-to-understand instructions as well as review materials and assessment opportunities.

The program is also ideal for standardized test preparation.

**HIGHLIGHTS**
- Colour level designations allow for flexible use from grade 1 through adult education
- Problem Solving Strategies at beginning of each book
- Program provides coverage of all major areas of mathematics including geometry, algebra, number sense and numeration, measurement, data management and probability
- Fully Canadianized with metric measurements

Connecting Math Concepts gives students who are at risk of falling behind or who have already fallen behind the chance to catch up and learn significant mathematics.

**HIGHLIGHTS**

- Offers step-by-step lessons that have been rigorously field-tested and shaped to meet the needs of students who struggle with math
- A coherent progression of key topics with an emphasis on proficiency ensures optimal learning and achievement
- Explicit, teacher-directed instruction sets an expectation for student involvement and gives learners the direction and support needed to be successful
- Ongoing assessment helps teachers identify and differentiate instruction to meet every student’s needs

**Levels A-F Connecting Math Concepts Teacher Materials includes:** Presentation Books; Teacher’s Guide, Board Displays CD-ROM, Workbook(s), Assessment Book, Online Teacher Subscription (6 years), and 10 Online Practice Software Student Subscriptions (6 years each).

Number Worlds
Early Learning - Grade 8
Available in print & digital!

Accelerate math success for struggling students with a proven, comprehensive math prevention and intervention program.

- Engage students with projects, games, activities, and digital resources
- Assess student achievement with dynamic, digital assessment and reporting

Developed by Dr. Douglas Clement, PH.D., regarded as “the major scholar” in the field of early childhood mathematics, Dr. Julie Sarama, and Sharon Griffin, PH.D.

PREVENTION LEVEL A – C
Prevention Levels (A – C) focus on foundations in number sense. These levels prepare students with foundational skills and concepts they need to succeed with math.

- 32 weeks of daily instruction
- New instruction on money and time

Level A – Students acquire well developed counting and quantity schemes.

Level B – Grade K – Students develop a well consolidated central conceptual structure for single-digit numbers.

Level C – Grade 1 – Students link their central conceptual structure of the number to the formal number system.

INTERVENTION LEVELS D – J
Intervention Levels (D – J) focus on foundational skills and concepts appropriate for grades 2 - 8.
Components

SRA Number Worlds Prevention Package, Levels A-C:
Teacher Edition, Playing Card Sheets, Placement Test Guide, Implementation Guide, Instructional Activity Cards, English Learner Support Guide, Games and Manipulatives (for 5 students), and 6-year online Teacher Subscription

SRA Number Worlds Intervention Package, Levels D-J:

Student Materials Bundle: Complete print and digital student resources including: Student Workbooks for 5 students (Level C [5], Levels D - J [25] and online Student Subscription for 5 students (1-year)

Manipulatives Plus Pack: Games and manipulatives needed to teach the program with an additional 5 students.

Number Worlds Online Teacher Subscription: Teacher Dashboard, Building Blocks, Digital Tools and Manipulatives, Online Assessment, Conceptual Development Activities, Professional Development Resources, Workbook Displays, and Interactive Number Worlds Gameboards

Number Worlds Online Student Subscription: Student Dashboard, Building Blocks, Digital Math Tools, and Online Assessment

If purchasing student subscription it is strongly recommended that teacher subscription also be used to utilize the full functionality of the program.
SRA Reading Laboratory 2.0 is an all digital reading practice program built on the foundation of the classic SRA Reading Laboratory print program. SRA Reading Laboratory 2.0 is designed to bring reading practice into the 21st century with innovative digital and social skills.

Explore the Classic Innovation

Digital—providing students and teachers access from most devices, anytime, anywhere to a proven leveled reading program to maximize students’ opportunities for practice and ease of use for teachers

Interactive—featuring badges, points, hidden secrets, and community features to motivate and engage students and simple course management tools to help teachers make informed instructional decisions

Personalized—building independent, confident readers with an abundance of fiction and nonfiction content based on interest and individual reading level to improve student learning and open access to content and self-publishing tools that allow teachers to customize instruction

For Students:

- Develop independent, confident readers
- Challenge students with complex text
- Enhance comprehension, vocabulary, fluency, word analysis, and study skills
- Reinforce specific skills in which students show weaknesses
- Increase students’ knowledge base using a variety of fiction and nonfiction selections at their own reading levels
- Engage students’ interests with community, reward, and game features

For Teachers:

- Classroom management with student detail and classroom roster
- Tools to help teachers customize and make informed Instructional decisions
- Reports on Lexile® level, student progress, standards, skills and fluency

**Reading Labs 1a** help students build their skills via individual reading practice. High-interest selections contain artwork and photographs, along with fiction and nonfiction passages in the areas of:

- History
- Science
- Sports
- Technology

**Reading Labs 1a Include:** Power Builders with coordinating Answer Key Cards (144), Student Record Book, Teacher’s Handbook, and Program Management/Assessment CD-ROM

**Reading Labs 3a** build the reading skills of middle school and older students and is a proven program that has grown to meet current classroom needs:

- Reading sections that appeal to their interest
- A skills development section that emphasizes vocabulary and reading comprehension
- Allows students to progress at their own pace

**Reading Labs 3a Include:** Power Builders with Answer Key Cards (110), Rate Builders (110), Rate Builders Answer Key Cards (110), Student Record Book, Teacher’s Handbook, Skill Builders (225) with Answer Key Cards

With **Reading Labs 2a** students build crucial skills through reading selections in a wide range of topic areas. This diversity serves to:

- Build a foundation of cross-curricular knowledge
- Spark student interest
- Inspire students to get the most from each assignment

Your students will build strong reading and comprehension skills by reading high-quality:

- Biographies
- Fictional narratives
- Nonfiction titles

**Reading Labs 2a Include:** Power Builders with coordinating Answer Key Cards (150), Rate Builders with coordinating Answer Key Cards (150), Skill Builders with coordinating Answer Key Cards (254), Student Record Book, Teacher’s Handbook, and Program Management/Assessment CD-ROM

Reading Mastery Signature Edition offers a highly explicit, systematic approach to teach reading that has proven successful. Research shows that, with Reading Mastery, teachers can expect mastery, success, and results.

The Reading Strand
• Addresses all five essential components of reading—phonemic awareness, phonics and word analysis, fluency, vocabulary, and comprehension
• Develops decoding, word recognition, and comprehension skills that transfer to other subject areas

The Literature Strand
• Supports the Reading Strand by offering a variety of literary forms and text structures
• Gives opportunities for students to read at independent levels

Online Teacher Subscription (K-5) includes: Interactive Whiteboard Activities, SRA 2Inform Online Progress Monitoring, eInquiry, Research Projects, Online Professional Development via the Teaching Tutor, Teacher eBooks

Grades K-5 Reading Strand Teacher Materials include:
Reading Presentation Books, Spelling Presentation Book, Teacher’s Guide, Literature Guide, Assessment Handbook, Answer Key, and Activities Across the Curriculum (Grades 2-5). Grades K-1 also includes Skills Folders and Page protectors and Audio CD-ROM (K only)

Reading Mastery Signature Edition
Grades K - 5 | Reading and Literature Strands
Available in print & digital!
Teachers offer their students a systematic, sustained program of vocabulary instruction with the Language Arts Strand from Reading Mastery® Signature Edition, Grades K and 1.

Students learn writing, critical thinking, and study skills with the Language Arts strand from Reading Mastery® Signature Edition, Grades 2 - 5.

HIGHLIGHTS
- Emphasizes the essential elements of reading—phonemic awareness, phonics, fluency, vocabulary, and comprehension
- Provides finely tuned, fast-paced lessons that keep instruction focused and students actively engaged
- Gives students ample opportunities to practice and apply skills and concepts, and to extend learning
- Incorporates frequent assessments to track progress and trigger remediation

Teacher Material Package Components Include:
Grade K: Spiral-bound Presentation Books(4), Teacher’s Guide, Answer Key, Behavioural Objectives Book, Skills Profile Folder, and Picture Book for Assessment
Grade 1: Spiral bound Presentation Books(2), Teacher’s Guide, Assessment Handbook, and Answer Key
Grades 2 - 3: Spiral bound Presentation Books(2), Teacher’s Guide, and Answer Key
Grade 4 - 5: Spiral bound Presentation Book, Teacher’s Guide, and Answer Key
Transform struggling readers into skilled readers. *SRA Early Interventions in Reading* provides early intensive support to prevent reading difficulties before patterns of failure are established.

**Prevents Failure**
- Critical content with consistent routines
- Intensive support for early learners
- Placement tests and daily progress
- Frequent assessment to ensure appropriate pacing

**Promise Success**
- Prescribed, classroom-tested lesson plans and routines
- Scaffolding that ensures student understanding
- Teacher modeling of new concepts
- Ample guided practice with timely feedback

99 percent of at-risk students who used *SRA Early Interventions in Reading* for 1 year were no longer at risk to fail reading.

**HIGHLIGHTS**
- Vocabulary and concept instruction for English and early language learners
- Prevention level focusing on phonemic awareness, concepts of print and decoding
- Professional development videos modeling best instructional practices
- Visuals to build background and conceptual understanding

### Teacher Materials

**Level K:** Teacher’s Editions A, B, and C; Read-Aloud Book; Pictures for Language and Literacy Support Book; Placement and Assessment Guide; Letter-Sound Cards (26); Picture Magnets (140); Stop and Go Game Set; Staff Development Guide; Student Activity Book (1); Hand Puppet; and Teacher Online Subscription and SRA 2Inform Online Progress Monitoring, 6-year access.

**Level 1:** Teacher’s Editions A, B, and C; Pictures for Language and Literacy Support Book; Answer Key for Activity Books A, B, and C; Challenge Stories (11); Blackline Masters for Story-Time Readers; Placement and Assessment Guide; Letter-Sound Cards (52); Tricky Word Cards (69); Staff Development Guide; Hand Puppet; and Teacher Online Subscription and SRA 2Inform Online Progress Monitoring, 6-year access.

**Level 2:** Teacher’s Editions A, B, and C; Building Background Knowledge Book; Answer Key for Activity Books A, B, and C; Placement and Assessment Guide; Letter-Sound Cards (5); Tricky Word Cards (50); Staff Development Guide; and Teacher Online Subscription and SRA 2Inform Online Progress Monitoring, 6-year access.
Proven as highly effective Intervention for Later Literacy in Canadian Schools

Corrective Reading provides intensive instruction of critical skills and strategies to optimize learning for students whose reading difficulties place them one or more years behind their peers.

Benefits

- Corrective Reading Decoding and Corrective Reading Comprehension can effectively be taught separately or used together to tailor the curriculum so that it addresses scheduling requirements and student needs.
- Placement tests create classes with students at similar reading levels and skill needs, reducing the range of differentiation teachers have to address.
- Fully integrated assessments monitor progress and guide movement through the program.
- A management system, based on realistic goals, motivates students by reinforcing steady improvement in reading performance.

HIGHLIGHTS

- Provides explicit, systematic teaching and intensive instructional support that struggling students need to close the achievement gap.
- Offers in-depth support for teachers, with detailed lesson plans that orchestrate what to teach and how to teach it.
- Engages problem readers with briskly paced lessons and special presentation techniques.
- Uses placement tests to identify students’ point of entry into the program based on reading level and skill needs.
- Supported by independent research and proven in real schools and classrooms.
Corrective Reading Decoding

Grades 3 - Adult

Available in print & digital!

Make a difference for students who have difficulty reading accurately and fluently. Corrective Reading Decoding systematically replaces students’ ineffective reading strategies with efficient ones and provides the type of practice problems readers need to retain and apply these skills.

• Stories written for the program provide a gradual progression in skill development that discourages guessing
• Daily fluency practice with immediate feedback helps students read fluently, accurately, and with expression
• Comprehension activities ensure students attend to the content of what they read
• A management system, based on realistic goals, motivates students by reinforcing steady improvement in reading performance

Decoding A: Word Attack Basics addresses non-readers by teaching sound-spelling relationships. Students quickly develop reading strategies for sounding out words and applying these strategies in context.

Decoding B1 and B2: Decoding Strategies refine word-attack skills by introducing new words and promoting word discrimination. Students build fluency and comprehension by reading stories of increasing length and difficulty.

Decoding C: Skill Applications help students bridge the gap between advanced word-attack skills and the ability to read textbooks and other informational material.

Teacher Materials Include: Presentation Books (1 or 2), Teacher’s Guide, and Practice and Review Activities CD-ROM

Online Teacher Subscription: Interactive Whiteboard Activities, SRA2Inform Online Progress Monitoring; eInquiry, Research Projects, Online Professional Development via the Teaching Tutor, Teacher eBooks

Online Student Subscription: eInquiry and Practice & Review Activities

Corrective Reading Comprehension
Grades 3 - Adult

Help students develop the skills needed to understand academic content. The Corrective Reading Comprehension programs explicitly teach the vocabulary, background knowledge, and reasoning skills that support the understanding of text.

With Corrective Reading Comprehension, you will:

- Provide extensive practice in following directions to help students read carefully and attend to details
- Build vocabulary skills and common information that students can carry over into the general classroom
- Develop higher order thinking tactics used by successful readers – applying prior knowledge, making inferences, and analyzing evidence

Comprehension A: Thinking Basics creates a framework for learning new information and developing background knowledge. Students engage in higher-order thinking, acquire vocabulary, and build a foundation for comprehension.

Comprehension B1 and B2: Comprehension Skills develop the skills necessary to construct meaning from content-based text. These skills enable students to comprehend any subject matter they read and learn new information efficiently.

Comprehension C: Concept Applications helps students bridge the gap between basic reasoning and critical thinking. With these skills, students can evaluate and utilize informational resources on their own.

Teacher Materials Includes: Presentation Books (1 or 2), Teacher’s Guide, and Practice and Review Activities CD-ROM

HIGHLIGHTS

- Helps students develop strategies for retaining information and relating it to new concepts
- A stronger emphasis on writing in Comprehension B1 and B2 ensure students transfer newly acquired skills to writing paragraphs and stories

Language for Learning helps beginning and early intermediate English Language Learners in elementary grades achieve functional spoken English. Students learn the words, concepts, and statements important to both oral and written language.

Benefits

- **Language for Learning** meets the needs of students who have less than adequate language skills for their age
- Systematic explicit lessons and ample opportunity for practice help students catch up with their more verbal peers
- Program resources help teachers create a language-centered learning environment

**Teacher Materials Include:** Spiral-bound Presentation Books (4), Teacher’s Guide, Answer Key, Behavioral Objectives Book, Skills Profile Folder, and Picture Book for Assessment

**HIGHLIGHTS**

- Maximize vocabulary acquisition through direct teaching
- Focuses on the meanings and uses of words that are important for following instructions, answering questions and reasoning
- Offers students many opportunities to describe what they are doing, observe details in pictures and sequence events in time
- Helps students acquire information and background knowledge that are the underpinning of school success

**Teacher Materials**

  - 9780076094455, $66.72

- **Series Guide with Placement Test**
  - 9780076094479, $57.50
HIGHLIGHTS

- Vocabulary, sentence structure, and reasoning skills taught in this program dramatically strengthen students' performance in school and on standardized tests
- Extensive practice with word usage, including forming contractions and "untangling" sentences with double negatives, makes coherent writing instinctive
- Sequencing and retelling exercises challenge students to remember important details and thoroughly understand what they read

Teacher Materials Includes: Spiral-bound Presentation Books (3), Teacher's Guide, Answer Key, Behavioral Objectives Book, Skills Folder, Student Picture Book and Workbook

Mastery Test Package Includes: Teacher Handbook with Blackline Masters and Picture Book

Language for Writing

Grades 1 - 3 | Language III

Use Language for Writing to lead your students toward independence as writers. This revision and expansion of Distar Language III teaches not only writing skills, but also the vocabulary, sentence, and organizational skills that underpin good writing.

Ongoing exercises support the development of specific writing skills by showing students how to:

- Write narratives
- Make precise comparisons
- Use specific words
- Summarize and retell
- Proofread for punctuation, grammar, and word usage

Teacher Materials Includes: Spiral-bound Presentation Books (2), Teacher's Guide, and Answer Key

Language for Thinking

Grades 1 - 3 | Language II

Set the stage for reading comprehension and writing with Language for Thinking.

Your students will:

- Expand their vocabularies using synonyms, opposites, and definitions
- Build comprehension through sequencing and retelling activities
- Make inferences, draw conclusions, and explain answers
**Expressive Writing**

Grades 4 - Adult

Help your students improve their writing skills with Expressive Writing. Carefully sequenced lessons address mistakes that students commonly make and teach skills students need to express ideas and communicate clearly.

**Teacher Materials Includes:** Presentation Book and Teacher’s Guide 1–2

---

**Spelling Through Morphographs**

Grades 4 - Adult

Give older students the tools they need to become successful spellers with Spelling Through Morphographs. This program teaches:

- A variety of morphographs (prefixes, suffixes, and word bases)
- A small set of rules for combining morphographs

**Teacher Materials Includes:** Teacher Presentation Books (2), Teacher’s Guide

---

**Spelling Mastery**

Grades 1 - 6

- Concentrated strategy instruction reduces the number of words students must memorize
- Systematic review of every skill, pattern, and rule ensures long-term retention
- Instructional software provides a customized course of study tailored to each student’s individual needs

---

How to order from Nelson

1. Fill out the Nelson order form or your school/board purchase order form.
2. Please be sure to list the ISBN, title, quantity, and price. Please add appropriate taxes and shipping charges to prepaid orders. Specify special shipping instructions (if any).
3. List your complete mailing address. Please use the street address rather than a box number to ensure prompt delivery. Specify billing address if different from the shipping address.
4. You may fax your order to 416-752-8101 or toll-free 1-800-430-4445
5. You may email your order to nelson.orderdesk@nelson.com
6. You may phone in your order to 416-752-9448 or toll-free 1-800-268-2222
7. Send your order form or purchase order to: Nelson
   1120 Birchmount Rd.
   Toronto, ON  M1K 5G4

A Customer Support Representative will be pleased to assist you in preparing your order form or purchase order. Call 1-800-268-2222 if you have any questions.

Prices

Prices in this catalogue are school net prices, f.o.b. Scarborough, Ontario, and are subject to change without notice. Taxes are not included in prices.

Method of Payment

Cheque/Money Order
Please make cheque or money order payable to Nelson after obtaining a quote which includes all taxes, and shipping and handling. Orders from individuals without a school or board purchase order must be prepaid. Please contact Nelson Customer Support to obtain an accurate order total.

Invoiced Orders
Invoiced orders available to approved account holders with a PO. Terms are net 30 days. Shipping charges and taxes will be added to the invoice.

Credit Cards
Nelson accepts Visa and MasterCard payments. Please provide your credit card number, expiry date, phone number, and signature on your order.

Taxes

Prices in this catalogue do not include GST, QST, or HST. Non-book items such as software, videos, manipulatives, and packages where non-book items are a significant component may be subject to GST plus HST or QST in Quebec. Call our Customer Support Department if you have any questions as to whether an item is subject to HST/GST/QST. Please add appropriate taxes when submitting a prepaid order. Taxes will be shown as separate items on your invoices.

Returns

Please check the shipment upon receipt BEFORE AFFIXING SCHOOL STAMPS TO MATERIALS as stamped or marked materials cannot be returned. Any errors or problems should be promptly reported to our Customer Support Department. Enclose a copy of the packing slip or invoice with your return. Nelson will accept the return of materials for credit under the following conditions:

• They must be in a re-sellable condition
• They must be unmarked (materials bearing user name, school label, etc., will not be accepted)
• All returns are to be forwarded to Nelson on a pre-paid basis
• Nelson will not be responsible for lost or damaged materials and we recommend returning by traceable method
• Out of Print materials cannot be returned. Please call our Customer Service Department to determine print status.
• 12-month return privileges providing the book is active and in saleable condition
• Please report damaged books immediately
